Re: Full Stack Developer Intern

Dear Hiring Manager,

I am excited to apply for the Full-Stack Development Intern position at Leap. As a recent graduate in Computer Science, I have experience in programming languages such as JavaScript, CSS, and HTML, and am skilled in React, MongoDB, Express, and Node.js. I have completed several projects where I demonstrated my ability to write clear, testable code.

I am enthusiastic about joining a company that values diversity and inclusivity, and I believe I can bring a unique perspective to the team. I am passionate about development and have a strong sense of humor that I believe would make me a great fit for your team and company culture.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further.

Sincerely,

Elizaveta Vygovskaia.
